EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. James Abney on 2/25/2005.

2. The application has been amended as follows:

In claim 32, line 1, the phrase "system of claim 31" has been changed to -- system of claim 30 --.

Conclusion

3. The Examiner contacted Mr. Abney on 2/25/2005 to ask for permission to change the dependency of original claim 32 which originally depended from claim 31. The change was required after the Examiner previously canceled claim 31 and added the limitations of claim 31 to claim 30. Claim 32 now depends from claim 30.
